Dear National Members and Union Delegates,

I write to remind you of all the Union awards that shall be given at the International Congress of Psychology in Cape Town in 2012. While that award time is far away, the deadline for nominations is only 2 months away.

I urge you to take an active role in promoting nominations for these awards by asking your organizations to become nominators of award candidates. The success of the award program depends on IUPsyS receiving highly qualified nominations for these awards. Please do take action now. To remind you, the awards are:

IUPsyS-Sponsored Awards:

Mattei Dogan Prize: Recognizes a contribution that represents a major advancement in psychology by a scholar or team of scholars of high international reputation.

Young Investigator Awards: Recognize young post-doctoral scientists who have already made a significant contribution to psychological science.

Achievement Against the Odds Award: Honors a researcher or team of researchers who succeeded in conducting research under extremely difficult circumstances.

Lifetime Career Award: Honors distinguished and enduring lifetime contributions to international cooperation and advancement of knowledge in the field of psychological science.

The deadline for receipt of nominations for the all the Awards is **30 September 2011**

Further details are at: www.iupsys.net/index.php/prog-awards

Thank you, dear colleague, for taking action now,

Bruce Overmier, Chair of Awards
