

BUILDING BRIDGES

12th CONGRESS OF THE SWISS PSYCHOLOGICAL SOCIETY UNIVERSITY OF FRIBOURG, SEPTEMBER 12th-13th, 2011

Welcome to the 12th Congress of the Swiss Society of Psychology, the biannual meeting of scientific psychologists in Switzerland, organized by the Department of Psychology of the University of Fribourg.

BUILDING BRIDGES

Reflecting the congress motto, keynote lectures and invited symposia will represent important recent findings and projects integrating different perspectives of psychological research. We invite submissions for symposia, talks, and posters from all areas of scientific psychology.
